

STATEMENT OF PURPOSE

RS18593

The purpose of this legislation is to amend Idaho Code, Section 37-3303, concerning retail sales of pseudoephedrine products, to revise the amount that can be sold, transferred or furnished by a retailer in a single transaction, to provide a daily sales limit, to revise a thirty day purchase limit, to provide for a log book, to remove a distribution or sale requirement and to require photographic identification. This legislation brings the requirements in line with the current federal requirements.

FISCAL NOTE

There is no fiscal impact.
